Click the exact seats (one or multiple) you want to confirm your seats when you watching the film and click the arrow to continue.
If some seats have different color, it means the seats have been taken.

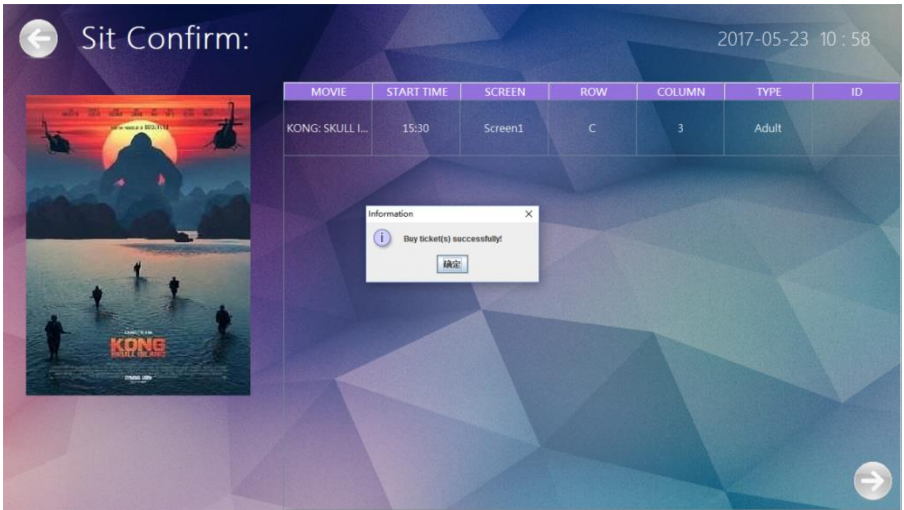

Confirm the displaying information. If all correct, click the arrow to continue.

Click “Yes” to confirm and pay the order; click “No” to return to modification.

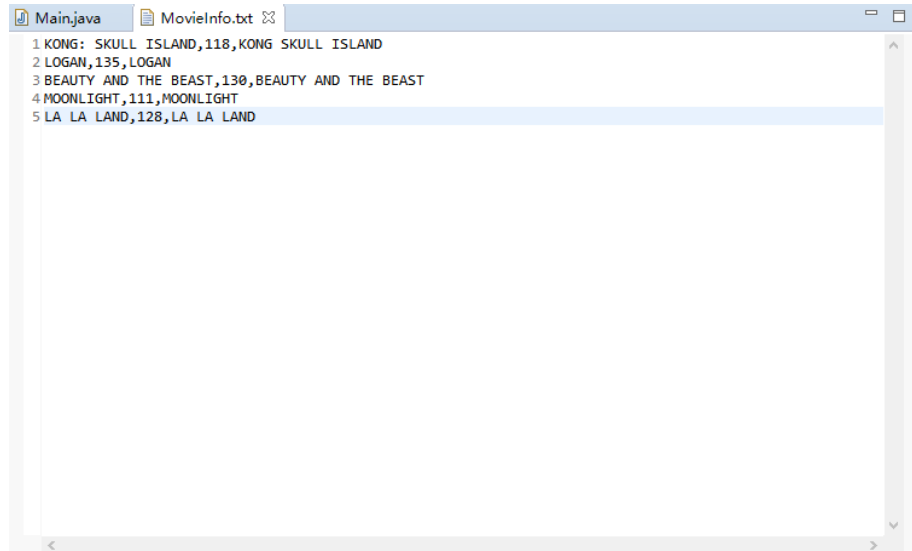

Click to confirm and finish the operation.

- **For administrator**

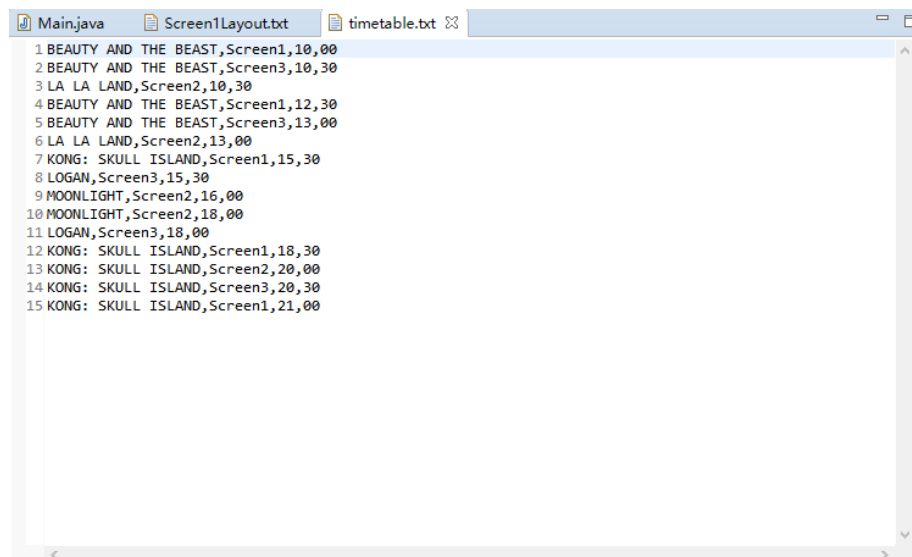

Set today's movie information by inputting basic data of movies using the form “movie name, duration, movie post” in MovieInfo.txt. (It must use the comma symbol.)

The screenshot shows an IDE window with two tabs: 'Main.java' and 'MovieInfo.txt'. The 'MovieInfo.txt' tab is active and displays the following text:

```
1 KONG: SKULL ISLAND,118,KONG SKULL ISLAND
2 LOGAN,135,LOGAN
3 BEAUTY AND THE BEAST,130,BEAUTY AND THE BEAST
4 MOONLIGHT,111,MOONLIGHT
5 LA LA LAND,128,LA LA LAND
```

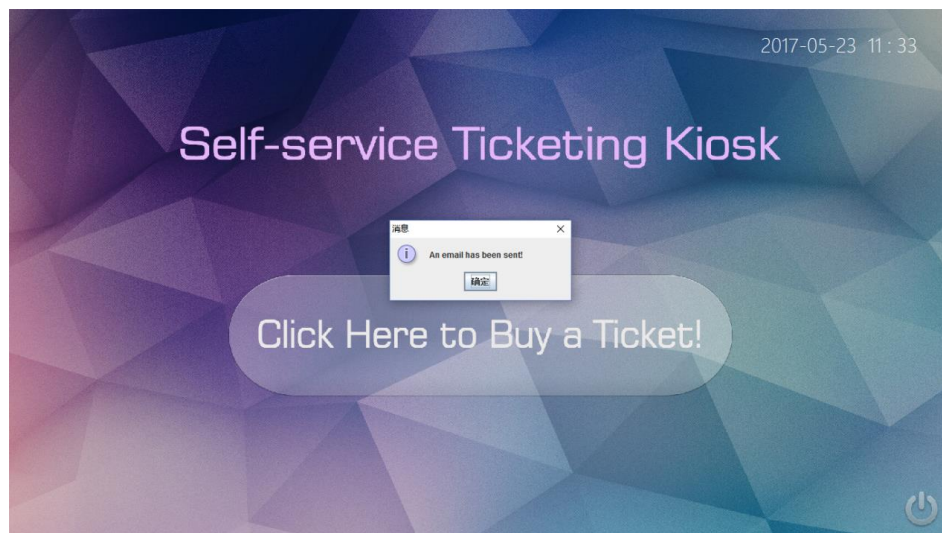

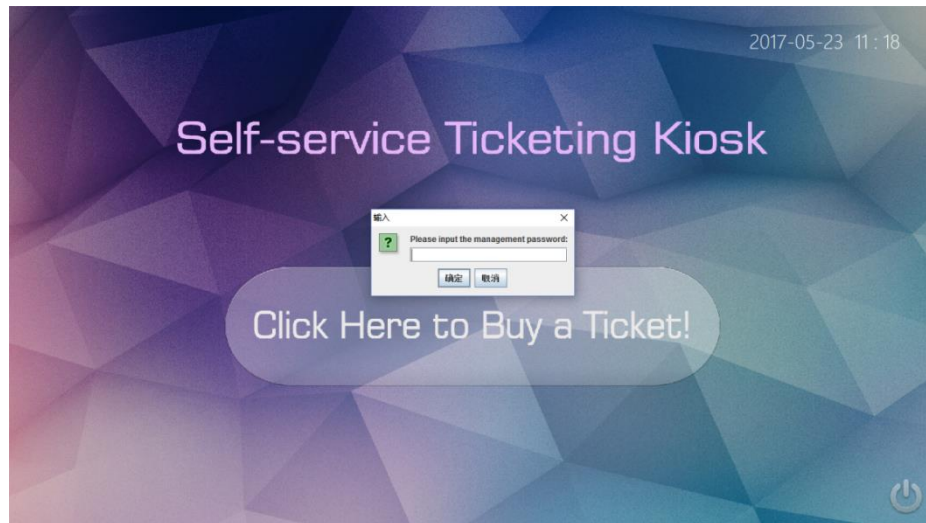

Set timetable information by inputting movie session data using the form “ movie name, screen number, hour part of time, minute part of time” in timetable.txt.(Must be the comma symbol.)

The screenshot shows an IDE window with three tabs: 'Main.java', 'Screen1Layout.txt', and 'timetable.txt'. The 'timetable.txt' tab is active and displays the following text:

```
1 BEAUTY AND THE BEAST,Screen1,10,00
2 BEAUTY AND THE BEAST,Screen3,10,30
3 LA LA LAND,Screen2,10,30
4 BEAUTY AND THE BEAST,Screen1,12,30
5 BEAUTY AND THE BEAST,Screen3,13,00
6 LA LA LAND,Screen2,13,00
7 KONG: SKULL ISLAND,Screen1,15,30
8 LOGAN,Screen3,15,30
9 MOONLIGHT,Screen2,16,00
10 MOONLIGHT,Screen2,18,00
11 LOGAN,Screen3,18,00
12 KONG: SKULL ISLAND,Screen1,18,30
13 KONG: SKULL ISLAND,Screen2,20,00
14 KONG: SKULL ISLAND,Screen3,20,30
15 KONG: SKULL ISLAND,Screen1,21,00
```

When click the terminate button in the right corner, it needs a management password to exit which also avoiding customers closing the program by mistake. The password is initially set to be “1.”

Click to confirm and you can get a static report of the intraday record as the picture below.
